

GUI basics 2

Interference functions, roughness and graded layers

Walter Van Herck¹

¹Jülich Centre for Neutron Science at MLZ

BornAgain School and User Meeting, 2018

Overview

- 1 Interference functions
- 2 Roughness
- 3 Graded layer approximation

Interference functions

See Jupyter notebook:
`interference_functions.ipynb`

Rough interfaces

See Jupyter notebook:
`roughness.ipynb`
